NUS Real Estate Career Seminar 2016

NUS Real Estate organized a Career Seminar on the 15th of January 2016.

Mr Alan Miyasaki, Senior Managing Director of Blackstone, delivered the distinguished guest lecture on the topic “Something A Little Different - The Real Estate Private Equity Sector”. The lecture was followed by a dialogue session with the students. Joining Mr Miyasaki on the panel were Ms Pauline Goh (CEO of CBRE Singapore and South-east Asia) and Mr Loh Wai Keong (Managing Director & Co-Head (Asia) of GIC Real Estate), who shared insights into their career journeys, providing practical tips and advice for students intending to embark on

career paths in real estate. The panel discussion was moderated by Associate Professor Joseph Ooi. This dialogue session also served as a platform for NUS students to engage and pick the minds of distinguished industry practitioners on issues and challenges related to the real estate sector.
