

Public Lecture Series 2019

What's Next?

We live in a world of constant flux and innovative disruption brought on by technology and AI that cater and adapt to the demands of the ever changing consumer and market trends.

Even our brick and mortar real estate industry is not immune to this disruption. We look at how these trends together with the advent of technology affect the way we live work and play.

Kemmy Tan Peck Mun is Chief Executive Officer of M+S. She oversaw the development and completion of Marina One and DUO, with an expected gross development value of over S\$11 billion.

Prior to joining the group, Kemmy was the CEO of YTL Land and Development Bhd where she helmed the group's international luxury property portfolio which included key markets such as Singapore, Malaysia, and Japan. She also served as Alternate Director on the YTL Starhill Global Reit Management Board.

Kemmy has more than 20 years of experience in the real estate industry, having previously held positions such as General Manager of Sentosa Cove – Singapore's pioneer and only integrated marina residential development. She spearheaded the marketing and estate management of the 117 hectares project, achieving S\$5 billion turnover in three years.

She has also held senior marketing and business positions in several other listed property entities in Singapore and was previously featured in Singapore Tatler's "10 Women Who Are Shaping Singapore" list, alongside inspirational women such as President Halimah Jacob and SingHealth CEO Ivy Ng.

Kemmy graduated from the National University of Singapore (NUS), where she obtained a Bachelor of Science (Hons) in Estate Management, and also holds a Graduate Diploma in Marketing.
