

Nurturing Young Leaders Talk Series 2019

Building a Fulfilling Real Estate Career Overseas: Challenges and Opportunities

Keppel Land China has operations in 8 Cities with over 1,200 employees. Total asset under management is SGD 6 billion (RMB 30 Billion).

In this session, the following points will be shared:

- Introduction of the operation in Keppel Land China
- Taking the leap of faith in China since 1994
- Challenges and opportunities faced in the different development phases of China
- What it takes to survive in China?
- Are we better off than the Chinese?
- Sharing on the life of "一位来自新加坡的老北京!"

William Tan Tin Kwang currently holds two appointments as Head of Property Development (Operation) & Smart Development and Digitization with Keppel Land China based in Beijing.

As a member to the Committee, William is responsible for the selection, negotiation and supervision of the 2nd China-Singapore Government project (The China-Singapore Eco-city Project).

William graduated with 2nd Upper Class Honour in Bachelor of Building and Estate Management and received Singapore Institute of Building Gold Medal from National University of Singapore in 1993. He also received Singapore Chinese Chamber of Commercial and Industrial Scholarship from 1989 – 1992.

William Tan
